

Hi Friends,

I want to invite you to Ministering To People In The Third Third Of Life Roundtable 2024 event that will take place March 7 - 9, 2024. (More details below.)

Whether you were part of our inaugural event last year, or this will be your first time attending this roundtable gathering, I think you will find it valuable and encouraging as you meet with other men and women who are ministering to people in the third third of life.

This three day event will provide the opportunity to:

- discuss a number of important topics
- share your experiences with other co-laborers
- receive a seminary and university perspective

Mark Roberts from Fuller Seminary's DePree Center and Amy Hanson from the University of Nebraska's Gerontology Department will be leading the discussions.

There is a \$150\* fee to attend this three day event, including all meals and materials.\* (\*\$150 through 12/31/23, \$175 after 12/31/23) A confirmation letter will be sent to you after you have registered which will include recommended hotels in the area along with additional information and instructions.

You can register [HERE](#).

I hope you will be able to join us. Looking forward to our time together,

Steve Harvey  
Director of Fifty & Better Ministries  
Christ Community Church - Leawood Campus
